Weight

I understand that weight loss - or gain – in a boarding facility is not uncommon even if a pet is eating normally.

Bedding

I understand that Pineview will supply bedding for my pet whilst in its care. Should I wish to supply my own, then that bedding must be marked clearly with my pet's name and surname. We accept no responsibility for damage/chewing to bedding.

Grooming

I understand that Pineview is NOT responsible for grooming but will endeavour to return my pet in a clean and tidy state. I also understand that my pet may become a little muddy during its exercise regime.

Professional grooming is available for an additional charge.

Sharing

I understand that Pineview will board my dogs in the same kennel but, if necessary, Pineview can separate them for medical or emergency purposes.

Vet Fees

I understand that I will be liable for all emergency vet fees while my dog is boarded at Pineview
